Listen to the dialog and answer the question.

Man: I live alone. Sometimes my house is too quiet. I'd like to get a pet.

Woman: That's a good idea. How about a bird?

Man: Birds are beautiful, but they are too loud. I'd like a quieter pet.

Woman: Hmm. Goldfish are quieter. How about a goldfish?

Man: I like goldfish too, but I'd like a pet that is more exciting.

Woman: How about a dog? Dogs are very exciting!

Man: Yes, but they are difficult to take care of. I'd like a pet that is easier to take care of.

Maybe a rabbit?

Woman: Rabbits are good!

“Question: For the man, which pet is more exciting than a goldfish?”

Listen to the story and answer the questions.

Hello, everyone. My name is Tom. Let me tell you about my vacation. Summer vacation is my favorite time of the year. There are many things to do. I often go swimming at the beach or visit the mountains, but just seeing my friends is the best thing about summer. This year I went camping in the mountains with my friends, John, Ben and Brad. It was the first time for me to sleep in a tent. I was very excited. One day we went fishing. I was really happy because I caught a big fish. Ben and Brad didn't catch any fish. John was very surprised as he caught two fish but nobody caught a bigger fish than me. We cooked fish that night.

Next year I hope to go to the beach. I am good at swimming. It will be nice to relax and enjoy the clean air. I think it will be fun.
